HIGH-LEVEL EVENT

*The EU-OACPS Partnership:
strengthened cooperation on
climate action and the use of
science-based information to
build resilience*

→ **NOVEMBER 9, 2021**

18:30 BRUSSELS CET | 17:30 GLASGOW TIME

Promoting a **strong partnership between the EU and the OACPS**

Promoting **strong action and leveraging investments** for adaptation to climate change

Supporting **science-based technology and information systems** for adaptation

High-level representatives from the European Commission and the OACPS will join a panel to discuss the future of the EU and OACPS partnership on climate action and to showcase examples of how the cooperation is evolving in the context of the conclusion of the Post-Cotonou negotiations.
